

Gettysburg: The Early Years

Join the Licensed Town Guides of Gettysburg for our annual symposium. This year's topic will be about the development of the town of Gettysburg from the mid-1700's to just before the Civil War. We will discuss the earliest immigrants, their interactions with their neighbors, their ambition to start a community, and the hardships that they endured to form the town that we all know and love. We look forward to sharing this fascinating chapter of Gettysburg's history with you.
