

Guided Historic Walking Tours

Daily Tours: Visitors come to Gettysburg and tour the beautiful National Military Park learning about brave deeds and famous generals, but there is more to the story of Gettysburg-the story of the residents of the town-the people that endured three days of battle and months of hardship afterward. Guided Historic Walking Tours retells those stories in entertaining, informative 90 minute tours. Our Licensed Town Guides relate the experiences of the Gettysburg civilians before, during and after the great battle by using period photographs, newspaper accounts, diary entries, and letters that bring the town and its residents to life! **This tour leaves from the Gettysburg Hotel located at 1 Lincoln Square.**

We also offer two fun evening tours:

Unsolved Mysteries of Gettysburg- Join us for an evening of fun and mystery as we explore some of Gettysburg's most notorious tales of murder, lies, scandal, and curiosities. These true stories will capture your imagination and keep you spellbound! **This tour leaves from the Gettysburg Hotel located at 1 Lincoln Square on Friday at 6 pm.**

Gettysburg's Mysteries, Oddities, and Strange Occurrences-Who said history wasn't fun!?! Join us for a fun, quirky, and entertaining tour of Gettysburg's odder (but true) history. Guides will take you on a journey through the southern end of town. These true stories include a president's ancestor, a long ago murder, one of the first "mobile" homes, and more. **This tour leaves from the American Civil War Wax Museum on Steinwehr Avenue on Saturday at 6 pm.**

**All Guided Historic Walking Tours are led by Licensed Town Guides and are appropriate for all ages and all fitness levels. Tours can be customized to fit specific needs with advance notice.*
